

Mission To support educational, environmental, social and cultural development with a particular emphasis on providing this support for the benefit of children.

## Our purpose

Support the well-being of children using a holistic approach, which includes the uplifting of their cultural identity, the alleviation of poverty and a reconnection with the environment.

### **Our function**

To interrupt the inter-generational cycle of disadvantage ensuring all children have access to quality education and opportunities, developing long-term leadership and self-reliance.

## **Our principles**

We acknowledge that the Treaty of Waitangi is the founding document of Aotearoa/New Zealand and we are consistent with the United Nations Convention on the Rights of the Child.
